## CALDWELL

Must be Provided For

Or He Will Not Retire From Race.

Geo. B. Cox Wants Him Re-Nominated.

Says the Party Must Carry Hamilton County.

(Special Correspondence.)

Columbus, O., June 1.—Unless President McKinley can be persuaded to give Lieutenant Governor Caldwell a federal appointment with a good salary attached or, preferably, a good salary with a federal appointment attached, the Cincinnati man will be a candidate for renomination. If he is a candidate, he will be named without opposition, for the party does not dare turn his face to the wall. Besides, George B. Cox points out that the only possible chance the Republicans have of carrying Hamilton county this fall is to allow Caldwell to run again. The liberal element in Cincinnati will not vote for Nash. Barring unforeseen accidents, Nash and Kilbourne will surely be the rival candidates for the Governorship. The fight will be an interesting one in Franklin county, where both candidates live and where, from all accounts, Kilbourne is far more popular. The normal Republican majority in this county is about 2,500.
